1st Grade Teachers will be holding office hours! We've dedicated times to answer questions, concerns, or simply to say hello on Zoom/Phone! My office hours: Mon: 10-12, Tues: 2-4, Wed: 1-3, Thurs: 9-11, Fri: 10-12

CONTACT INFO

Using the emails below, you can message your teacher or add them on Zoom!

Ms. Armer: arm022884@adams12.org

Ms. Partner: par025297@adams12.org

Mrs. Reuter: reu024905@adams12.org

NOTES FROM THE TEACHERS

Welcome to 1st Grade's First Learning Board

The learning board will contain an overview of the assignments we'd like students to complete over the course of the week. Each week all teachers will post learning boards by Monday at 8am. You and your students will have until Sunday at 11pm to complete the assignments for the week.

We suggest that students spend at least *60 minutes learning a day*, however we recognize each student and family has individual needs. Complete activities at your own pace that best fits your schedule. It is important to turn in the assignments because they will be used to indicate attendance for the week.

This will *always* be posted on Glacier Peak's 1st grade website and your teacher's Seesaw page. Seesaw will be the main platform we will be using to share class news as well as post and turn in assignments every week.
